6B47 PhilsPlace hotel project wins FIABCI Prize 2020

Vienna, 27.01.2021: The PhilsPlace hotel project was awarded the Prix d'Excellence Austria in the category Hotel/Serviced Apartments.

For the first time in the history of FIABCI Austria, due to Austria being in its third lockdown phase, the winners of the Prix d'Excellence were chosen by means of an online award ceremony. The keynote speaker of the evening was Andreas Treichl, Chairman of Erste Stiftung.

Twelve finalists were able to prevail over their almost forty competitors in five categories - including the 6B47 prestige project PhilsPlace, which was already completed in the summer of 2018 in Vienna Favoriten.

The building on Wienerberg is one of Karl Schwanzer's most impressive structures from 1964 and is considered a symbol of modernity.

"The hall-like structure of the listed architectural icon from the post-war period formed the ideal basis for a wide variety of user requirements. In this project, 6B47 has once again proven that converting an asset class does not have to mean a loss of style, but on the contrary particularly emphasises the advantages," Christian Polak, Managing Director of the 6B47 Austria Group, says proudly about the award.
